SfATEMENT

North Eastern Industrial Policy

The salient features of the policy are as follows:

1. Expenditure on growth centres', up fo Rs. 15 crores would be met through Central assistance.
2. Funding pattern for Integrated Infrastructure Development Centres (IIDCs) changed from 2:3 between Government of India and SIDBI to 4:1. The Government of India funds would be in the nature of grants.
3. Transport subsidy scheme has been extended by seven years upto 31.3.2007 and the amount is to be disbursed through North Eastern Development Finance Corporation.
4. Industries located in the growth centres would be given capital investment subsidy at the rate of 15% on Plant and Machinery

subject to a ceiling of Rs. 30 lakhs.

5. Growth centres and IIDCs become tax free zones for income tax and excise duty for a period of ten years. Certain high growth potential industries have also been given tax free status irrespective of the location in the North East.

6. An interest subsidy of 3% on the working capital loans would be provided for a period of ten years after the commencement of production.

7. Comprehensive Insurance Scheme for new industrial units has been put in place.
